

MULTIPEPTIDES + COLLAGEN ANTI-AGE SERUM

Features :

This highly concentrated anti-aging, moisture binding and skin repairing facial treatment contains a substantial amount of pure marine collagen, wheat placenta, and multi-peptides. Collagen effectively helps to diminish wrinkles and age lines while providing a skin tightening and plumping effect by helping to tighten the cell connections for improved skin firmness. Placenta extract (botanical origin) is effective in restoring skin elasticity and moisture while increasing cell renewal to provide a smooth and even texture to the skin. Multi-Peptides help to increase Collagen and Elastin production to further reduce and slow the formation of lines and wrinkles. Corn derived live cells help to improve the complexion of skin by providing it with nutrients.

Active Ingredients : Aloe Vera Gel, Glycerin (Vegetable), Soluble Collagen (Marine), Palmitoyl Oligopeptide, Palmitoyl Tetrapeptide-7, Corn Extract, Wheat Extract (Placenta), Tocopherol, Sodium Hyaluronate.

Directions : Apply directly to the skin after cleansing, and prior to the application of any other facial product. Follow with moisturizer. Use twice daily.

Skin Types : All non-problem skin, especially mature or loose skin.
